...n killer Drugs

807. SHRI M. KADHARSHA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that a number of pain-killer drugs being marketed in the country are not safe;

(b) whether it is also a fact that a number of these pain killer drugs have been withdrawn due to dangerous effects in a number of other countries;

(c) if so, the names of painkiller drugs being marketed in India and how many have been withdrawn in other countries along with names of countries; and

(d) what are the details of dangerous effects due to which each was withdrawn in each country?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) No, Sir.

(b) and (c) While countries like Australia, Canada, USA, Sweden, Denmark, Jordan, Singapore, Saudi Arabia, Norway, Greece, Bangladesh have preferred to withdraw Analgin, a pain killer, the drug continues to be marketed in many other countries including India. The drug is official in Indian Pharmacopoeia and U.S.S.R. Pharmacopoeia. Other Non-narcotic pain killers, namely, Paracetamol, Aspirin, Ibuprofen being marketed in India are not banned in other countries.

(d) The drug Analgin was reported to be withdrawn in some countries on the assumption that it causes extra risk of bone marrow disorders.

Indian Armed Personnel killed in Sri Lanka
